**Spooltech LLC Acquires TRCW, Bolstering Expertise in Corrosion Resistant Alloy Welding**

HOUSTON, NOV. 20, 2023 — Spooltech LLC, a leading industrial engineering and manufacturing provider, has successfully acquired TRCW, renowned for its specialization in Corrosion Resistant Alloy Welding.

TRCW holds ISO 9001:2015 certifications in Welding and Machining, offering comprehensive turnkey services, including Inconel 625 inlays, Stellite overlays, and Hot/Cold GTAW welding processes. Their focus spans drilling risers, blowout preventers, Frac Valves, Spools, Blocks, Flanges, and Wellhead components.

"This acquisition solidifies Spooltech's commitment to delivering unique top-tier solutions," - Patrick Fox, Director of Sales and Marketing. The integration enhances our capabilities and positions Spooltech as an industry leader.

The union enables Spooltech to provide an extended service range, reinforcing our One-Stop Shop commitment. For more information, visit [www.spooltech.com](http://www.spooltech.com).

**About Spooltech LLC:**

From custom engineered solutions to expedited manufacturing, Spooltech offers various ISO 9001 :2015 industrial fabrication services including cladding, certified welding, heat treatment, NDE, plate processing, DNV-GL engineered and manufactured services, and turkey fabrication to meet multiple industry standards and certifications. Spooltech is known throughout the industry for their cutting-edge industrial spools, skids, vessels, tanks, process piping, spreader bars, industrial fans and ventilation, as well as stainless and mild structural, equipment builds, while also having several custom projects that range from any number of other industrial solutions.

If you have any questions or comments, machining, or industrial fabrication needs, feel free to give us a call at (281) 861-6800 or contact us online at [www.spooltech.com/contact/](http://www.spooltech.com/contact/)
